Chapter 1

Executive Overview

1.1 Platform Summary

InternshipWALA Careers is an ISO-certified EdTech platform operating at <https://www.internshipwala.com>. It connects students across India with internships, industrial training programmes, online courses, soft-skills training, and study-abroad opportunities. The platform is formally registered under the Government of India's Ministry of Corporate Affairs, MSME, and the AICTE National Internship Portal.

Key Platform Statistics

- Serves students from IIT Guwahati, NIT Tiruchirappalli, NIT Patna, BIT Mesra, IIIT Guwahati, Graphic Era University, Amity University, Vidyalandkar School, University of Mumbai, Osmania University, and hundreds of other institutions.
- Recognised as *India's most trusted online platform for Internship*.
- Won **Best Emerging Internship Portal – 2021** at the Nationwide Startup Awards.
- Featured on the AICTE National Internship Portal for web development internships.
- Customer Care: +91-7070436444

1.2 Technology Stack (Inferred)

Layer	Technology
Frontend	PHP-rendered HTML, Bootstrap CSS, Vanilla JS, jQuery, carousel/slider libraries
Backend Language	PHP (pages use .php extensions, e.g. student_profile1.php)
Database	MySQL / MariaDB (relational schema inferred from forms and data structures)
Authentication	PHP session-based auth (Hi <username> in topbar, Logout link)
PDF Generation	Server-side PDF rendering (certificates issued via dashboard)

Layer	Technology
Payment Gateway	Third-party payment integration (fee collection, refund policy visible)
File Storage	Server-side file storage for profile photos, PDFs, certificates
WhatsApp Widget	WhatsApp Business API integration (floating button, bottom-left)
Social Media	Twitter, Instagram, Facebook linked in header
Email	SMTP / email notifications inferred from registration and enrollment flows

Chapter 2

Navigation Architecture

2.1 Global Navigation Bar

The top navigation consists of two tiers:

Tier 1 – Top Bar

- Customer Care phone number (+91-7070436444)
- Social media icons: Twitter, Instagram, Facebook
- Authenticated user greeting (*Hi <username>*) and **Logout** link
- Unauthenticated state shows **Login** and **Register** links

Tier 2 – Main Navigation

Menu Item	Sub-items / Target
Home	/index
About	About Us (/about_us), Board Members & Mentors (/BoardMembers-Mentors)
Jobs	Job listings (dropdown)
Study Abroad	Study abroad programmes
Department	Arts & Commerce Internship, BBA & MBA Internship, Civil Engineering, Mechanical Engineering, Computer Science Engineering, Electrical Engineering, Electronics Engineering
CSE Internship	CSE-specific internship listings (dropdown)
Core Internship	Core-branch internship listings (dropdown)
More	Events, Student Chapter, Institution Collaboration, Student Chapter Registration, Blog, Industry Academia Collaboration, Startup, Video Gallery, Online Project
Contact Us	/contact

Right-side floating banners (visible on desktop):

- *Industrial Training* – links to industrial training section
- *BEU 5th Sem Internship* – links to semester-specific internship

Chapter 3

Public-Facing Modules

3.1 Module 1: Home Page (/index)

Home Page Features

1. **Hero Carousel / Slider** — Full-width rotating banner with multiple slides including:
 - Summer Offline Internship — June Batch 2025 (photo of student cohort)
 - Innovation and Entrepreneurship Program (“Enroll Now” CTA, Google search embed)
 - Student feedback slides (name, institution, LinkedIn verified badge, testimonial text)
 - Background shows IIT Guwahati, industry images, etc.
 - Dot indicators and left/right arrow controls
2. **Industrial Training / Internships by Department** — Grid of coloured category cards:
 - Computer Science Engineering (blue)
 - Electrical Engineering (yellow/orange)
 - Mechanical Engineering (purple)
 - AI Internship Bootcamp (red)
 - AI and Machine Learning Internship Program with Hands-On Projects (grey)
 - AI in Business: From Theory to Deployment (teal)
 - Business Communication Mastery (pink/Commerce)
 - AI in Business: From Theory to Deployment (green – NEW badge)Each card contains a title, department tag button, and icon.
3. **Promotional Banner** — “Want to Become an Expert in Flutter? Join our Flutter Internship and gain hands-on experience building real-world mobile applications.” with a **REGISTER TODAY** CTA.
4. **WhatsApp Chat Widget** — Floating bottom-left button linking to WhatsApp Business.

3.1.1 Backend Requirements – Home Page

- CMS table for carousel slides (image path, title, subtitle, CTA text, CTA URL, order, active flag)
- Internship category table (name, department, icon, colour code, slug)
- Promotional banner CMS (content, image, CTA)
- Student testimonial table (name, photo, institution, feedback text, active flag)

3.2 Module 2: About Us (/about_us)

About Us Features

1. **Company Description** — Rich-text paragraph explaining ISO certification, MSME registration, AICTE National Internship Portal listing, and Nationwide Startup Awards recognition.
2. **Partner Institutions List** — Bullet list of universities whose students have registered (IITs, NITs, BITS, Graphic Era, Amity, Vidyalandkar, etc.).
3. **Online Training Value Proposition** — Description of flexible, affordable online training model.
4. **Right Sidebar Links:**
 - About Us (current)
 - Registered under Govt of India Ministry of Corporate Affairs
 - Registered under AICTE – National Internship Portal
 - Registered under MSME – Govt of India
 - Success Stories (links to PDF: *InternshipWALA Success Story.pdf*)
 - Nationwide Start-Up Awards-2021
 - ISO Certified Company
 - Privacy Policy
 - Terms & Conditions
5. **Government Registration Documents** — Embedded/linked PDF viewer for:
 - Ministry of Corporate Affairs Incorporation Certificate (Govt of India Ministry of Corporate Affairs Approval Letter_AA6901458.pdf)
6. **Success Story PDF** — 4-page document (*InternshipWALA Success Story.pdf*) containing AICTE mention, collaboration letter, Nationwide Startup Awards certificate (2021), and student feedback gallery link.
7. **Awards Section** — Certificate of Recognition image: *Best Emerging Internship Portal – Nationwide Startup Awards 2021*, presented by Business Mint.

3.2.1 Backend Requirements – About Us

- Static/CMS page with rich-text editor support
- File storage for compliance PDFs (certificates, government letters)
- Sidebar widget CMS with link management

3.3 Module 3: Board Members and Mentors (/BoardMembers-Mentors)

Advisory Board Features

1. **Search / Filter Bar** — Two fields:
 - Location (text input)
 - Industry / Role (text input)
 - Search button
2. **Member Listing Grid** — Each card shows:
 - Profile photo
 - Full name (e.g. Ms. Royana, Dr. Vanishree, Ms. Sarala Hemanth Kumar, Ms. Archana J R, Ms. Yarlagadda Anuradha)
 - Designation (AI Researcher and Technical Program Manager, Professor & Chairperson, Assistant Professor, Professor)
 - College/Company name
 - Address (city and country)
 - Two action icons (social profile links – LinkedIn, etc.)
3. **Sort By Dropdown** — Sorting mechanism for the listing
4. **Pagination** — 5 pages of results (visible: pages 1–5 with next arrow)
5. **Right Sidebar** — Portrait photo of founder/chairman + policy links

3.3.1 Backend Requirements – Board Members

Listing 3.1: Board Members Table Schema

```

1 CREATE TABLE board_members (
2     id                INT AUTO_INCREMENT PRIMARY KEY,
3     name              VARCHAR(150) NOT NULL,
4     designation       VARCHAR(200),
5     company           VARCHAR(200),
6     location_city     VARCHAR(100),
7     location_country  VARCHAR(100),
8     industry          VARCHAR(150),
9     profile_photo     VARCHAR(300),
10    linkedin_url      VARCHAR(300),
11    social_url2       VARCHAR(300),
12    active            TINYINT DEFAULT 1,
13    created_at        TIMESTAMP DEFAULT CURRENT_TIMESTAMP
14 );

```

- Server-side pagination (LIMIT / OFFSET)
- Search by location (WHERE city/country LIKE) and industry/role (WHERE designation/industry LIKE)
- Sort by name, designation, or location
- Admin CRUD interface for member management

3.4 Module 4: Department-wise Internship / Industrial Training

Department Internship Module Features

1. **Departments covered:**
 - Computer Science Engineering (CSE)
 - Electrical Engineering (EE)
 - Mechanical Engineering (ME)
 - Electronics Engineering
 - Civil Engineering
 - Arts and Commerce Internship
 - BBA and MBA Internship
2. Each department links to a filtered listing of available internship programmes.
3. Programme cards contain: title, category label (Internship/Industrial Training), icon, background colour.
4. NEW badge shown on recently added programmes.

3.4.1 AI / Emerging Technology Programmes Observed

- AI Internship Bootcamp
- AI and Machine Learning Internship Program (with Hands-On Projects)
- AI in Business: From Theory to Deployment (two listings – one marked NEW)
- Business Communication Mastery (Commerce Internship)
- Flutter Mobile App Development Internship
- Innovation and Entrepreneurship Program

3.5 Module 5: Jobs (/jobs)

Jobs Module Features

1. Listing of job opportunities separate from internships.
2. Dropdown sub-menu under “Jobs” in navigation.
3. Expected features: job title, company, location, job type, apply link.

3.6 Module 6: Study Abroad

Study Abroad Features

1. Dedicated page for international education opportunities.
2. No dropdown – direct single-page link.
3. Expected content: destination countries, partner universities, programme details, application CTA.

3.7 Module 7: More Menu – Extended Features

3.7.1 7.1 Events

Platform-hosted or partner events listing (workshops, webinars, offline batches).

3.7.2 7.2 Student Chapter

Information about InternshipWALA Student Chapters that can be formed in colleges.

3.7.3 7.3 Institution Collaboration

Portal for academic institutions to collaborate with InternshipWALA for bulk student placements.

3.7.4 7.4 Student Chapter Registration

Form-based registration for colleges to start a Student Chapter. Highlighted in the navigation (active colour).

3.7.5 7.5 Blog

Educational and informational blog posts related to internships, careers, and technologies.

3.7.6 7.6 Industry Academia Collaboration

Formal partnership programme between industries and academic institutions via InternshipWALA.

3.7.7 7.7 Startup

Startup-related internship or incubation section.

3.7.8 7.8 Video Gallery (/Videogallery)

Gallery of student feedback videos of students who have completed internships. Also linked in the Success Story PDF (<https://internshipwala.com/Videogallery>).

3.7.9 7.9 Online Project

Section for project-based online work for students.

3.8 Module 8: Terms & Conditions (/terms-conditions.php)

Key Policy Provisions

1. **Refund of Fee Policy:**
 - Refund only if course does not start within one week of registration.
 - Refund possible only after first module – once second module is displayed, no refund.
 - Payment gateway fee deducted from refund amount.
 - No refund if student does not receive any lecture during course duration.
2. **Certificate Policy:**
 - Digital certificate issued via dashboard after successful internship completion.
 - Hard copy available on request for an additional fee (varies by distance).
3. **Jurisdiction:** Disputes subjected to Patna jurisdiction only.
4. **Disclaimer of Warranty:** Service provided “as is” without implied warranties.
5. **Limitation of Liabilities:** No warranty of uninterrupted operation, freedom from viruses, accuracy of content.

3.9 Module 9: Footer

The footer is divided into four columns:

1. **Brand Column:** Logo, tagline (“Internshipwala provides best internship opportunities and other professional online courses for students”)
2. **Navigation:** Home, Register, Login, Contact Us, Terms & Conditions, Privacy Policy
3. **We Provide:** Internship, Online Internship, Online Courses, Vocational Training, Campus Recruitment, Project
4. **Social Icons:** Facebook, Twitter, LinkedIn, YouTube, Instagram

Chapter 4

User Authentication Module

4.1 Authentication Features

Login / Register / Session Management

1. **Registration (/register):**
 - New student account creation
 - Fields likely include: name, email, mobile, password
 - Email/mobile verification implied
2. **Login (/login):**
 - Email + password authentication
 - PHP session created on success
 - Username shown in top bar as “Hi <name>” after login
3. **Logout:**
 - Session destroyed; user returned to public homepage
 - Top bar reverts to “Login — Register”
4. **Change Password:**
 - Available in student dashboard header navigation

4.1.1 Backend Requirements – Authentication

Listing 4.1: Users Table Schema

```
1 CREATE TABLE users (
2     id                INT AUTO_INCREMENT PRIMARY KEY,
3     name              VARCHAR(150) NOT NULL,
4     email             VARCHAR(200) UNIQUE NOT NULL,
5     mobile            VARCHAR(15),
6     password_hash     VARCHAR(255) NOT NULL,
7     profile_photo     VARCHAR(300),
8     dob              DATE,
9     address           TEXT,
10    city              VARCHAR(100),
11    state             VARCHAR(100),
12    country           VARCHAR(100) DEFAULT 'India',
```

```

13     father_name      VARCHAR(150),
14     present_course   VARCHAR(100),
15     branch           VARCHAR(100),
16     year_qualifying  VARCHAR(10),
17     college_name     VARCHAR(200),
18     created_at       TIMESTAMP DEFAULT CURRENT_TIMESTAMP,
19     last_login       TIMESTAMP,
20     is_active        TINYINT DEFAULT 1
21 );

```

Chapter 5

Student Dashboard Module

5.1 Dashboard Layout

The student dashboard (/Intern_User_Section/) uses a two-panel layout:

- **Left Sidebar:** Navigation icons with labels
- **Main Content Area:** Context-sensitive content
- **Top Header:** Logo, Home — About Us — Contact us — Change Password — Username — Logout

5.2 Dashboard Navigation Items

Sidebar Item	Description
Dashboard	Overview / landing page of the student portal
Profile	Student profile management (photo, personal info, academic details)
Training Modules	Access to enrolled internship/training course content
Project	Project submission and management
Online Course	Access to enrolled online courses
Soft Skills	Soft skills training modules
Fee Paid	Fee payment history and receipts

5.3 Module 10: Student Profile (/Intern_User_Section/student

Profile Management Features

1. **Profile Photo Upload:**
 - Photo displayed as circular avatar (default red placeholder)
 - “Choose file” input for image upload
 - Stored server-side

2. Personal Information Fields:

- Email (pre-filled, editable)
- Name
- Mobile Number
- Date of Birth (date picker: dd/mm/yyyy)
- Address (text area)
- City
- State
- Country
- Father's Name

3. Academic Information Fields:

- Present Course (dropdown: Select Course)
- Branch (dropdown: Select Branch)
- Year of Qualifying Course (text input)
- College Name (text input)

4. Update Profile Button — Submits form to update `users` table record.

5.3.1 Backend Requirements – Student Profile

- POST handler to update user record in `users` table
- File upload handler for profile photo (MIME type validation, size limit)
- Server-side validation of all form fields
- Pre-population of form from existing database values

5.4 Module 11: Training Modules

Training Module Features

1. List of enrolled internship/training programmes for the logged-in student.
2. Progressive module unlocking (second module not accessible before first is completed – consistent with refund policy).
3. Access to lecture content, videos, or documents for each module.
4. Progress tracking per module.

5.4.1 Backend Requirements

Listing 5.1: Training Enrolment Tables

```

1 CREATE TABLE internship_programs (
2     id          INT AUTO_INCREMENT PRIMARY KEY,
3     title       VARCHAR(300) NOT NULL,
4     department  VARCHAR(100),
5     type        ENUM('online', 'offline', 'industrial') DEFAULT '
6     duration    VARCHAR(50),
7     fee         DECIMAL(10,2),

```

```

8      is_active    TINYINT DEFAULT 1
9  );
10
11 CREATE TABLE enrollments (
12     id            INT AUTO_INCREMENT PRIMARY KEY,
13     user_id       INT NOT NULL,
14     program_id    INT NOT NULL,
15     enrolled_on   TIMESTAMP DEFAULT CURRENT_TIMESTAMP,
16     fee_paid       DECIMAL(10,2),
17     payment_txn_id VARCHAR(100),
18     status        ENUM('active','completed','cancelled')
19                     DEFAULT 'active',
20     FOREIGN KEY (user_id) REFERENCES users(id),
21     FOREIGN KEY (program_id) REFERENCES internship_programs(id)
22 );
23
24 CREATE TABLE modules (
25     id            INT AUTO_INCREMENT PRIMARY KEY,
26     program_id    INT NOT NULL,
27     module_no     INT NOT NULL,
28     title         VARCHAR(300),
29     content_url   VARCHAR(500),
30     FOREIGN KEY (program_id) REFERENCES internship_programs(id)
31 );
32
33 CREATE TABLE module_progress (
34     id            INT AUTO_INCREMENT PRIMARY KEY,
35     user_id       INT NOT NULL,
36     module_id     INT NOT NULL,
37     completed     TINYINT DEFAULT 0,
38     completed_on  TIMESTAMP,
39     FOREIGN KEY (user_id) REFERENCES users(id),
40     FOREIGN KEY (module_id) REFERENCES modules(id)
41 );

```

5.5 Module 12: Project Submission

Project Module Features

1. Students can submit project work related to their internship.
2. Sub-navigation (arrow/dropdown visible in sidebar).
3. Expected fields: project title, description, file upload, submission date.
4. Admin/mentor review and feedback capability.

5.6 Module 13: Online Course

Online Course Features

1. Separate from internship training modules – standalone online courses.
2. Listed in student dashboard sidebar.
3. Expected content: video lectures, quizzes, downloadable resources.

5.7 Module 14: Soft Skills Training

Soft Skills Features

1. Dedicated section for communication, leadership, and professional skills.
2. Programme “Business Communication Mastery” visible as a Commerce internship card.
3. “Innovation and Entrepreneurship Program” also included (Learn Entrepreneurial and Leadership Skills).

5.8 Module 15: Fee Paid / Payment History

Fee Management Features

1. View list of payments made by the student.
2. Each entry likely shows: programme name, amount paid, transaction ID, payment date.
3. Download receipt functionality (inferred from refund policy).
4. Integration with payment gateway (Razorpay or CCAvenue likely).

5.8.1 Backend Requirements – Payments

Listing 5.2: Payments Table Schema

```

1 CREATE TABLE payments (
2     id                INT AUTO_INCREMENT PRIMARY KEY,
3     user_id           INT NOT NULL,
4     program_id        INT NOT NULL,
5     amount            DECIMAL(10,2) NOT NULL,
6     gateway_txn_id    VARCHAR(200),
7     payment_method    VARCHAR(100),
8     status            ENUM('pending', 'success', 'failed', 'refunded')
9         DEFAULT 'pending',
10    paid_at            TIMESTAMP,
11    refund_amount      DECIMAL(10,2) DEFAULT 0.00,
12    refund_at          TIMESTAMP NULL,
13    FOREIGN KEY (user_id) REFERENCES users(id),
14    FOREIGN KEY (program_id) REFERENCES internship_programs(id)
15 );

```

Chapter 6

Certificate Module

Certificate Issuance Features

1. **Digital Certificate Generation:**
 - Auto-generated after successful completion of internship (all modules completed).
 - Issued through student dashboard.
 - Contains: student name, internship programme, duration, completion date, unique certificate ID.
2. **Hard Copy Certificate:**
 - Available on request for an additional fee.
 - Fee varies by distance (shipping cost).
3. **Certificate Verification:**
 - Certificate Number visible (e.g., 2021-NWSUA-12 on awards certificate).
 - Implies a verification portal or unique ID system.

6.0.1 Backend Requirements – Certificates

Listing 6.1: Certificates Table Schema

```
1 CREATE TABLE certificates (  
2     id                INT AUTO_INCREMENT PRIMARY KEY,  
3     user_id           INT NOT NULL,  
4     program_id        INT NOT NULL,  
5     cert_number       VARCHAR(100) UNIQUE NOT NULL,  
6     issued_on         TIMESTAMP DEFAULT CURRENT_TIMESTAMP,  
7     pdf_path          VARCHAR(500),  
8     hard_copy_req     TINYINT DEFAULT 0,  
9     hard_copy_fee     DECIMAL(8,2),  
10    hard_copy_status  ENUM('pending', 'dispatched', 'delivered')  
11                      NULL,  
12    FOREIGN KEY (user_id) REFERENCES users(id),  
13    FOREIGN KEY (program_id) REFERENCES internship_programs(id)  
14 );
```

Chapter 7

Content Management Modules

7.1 Module 16: Events

Managed via admin panel. Expected fields: event name, date, location (online/offline), description, registration link, banner image.

7.2 Module 17: Student Chapter

- Chapter listing per college
- Chapter Registration form (Student Chapter Registration submenu)
- Chapter member management

7.3 Module 18: Institution Collaboration

Form for academic institutions to apply for MOU/collaboration. Expected fields: institution name, contact person, email, phone, number of students, preferred programme.

7.4 Module 19: Blog

- Blog post listing
- Rich-text article pages
- Categories (internship tips, tech tutorials, career guidance)
- Author, date, tags

7.5 Module 20: Industry Academia Collaboration

Partnership portal for companies and universities to list joint internship/project opportunities.

7.6 Module 21: Startup

Section for startup-focused internships or incubation support programs.

7.7 Module 22: Video Gallery (/Videogallery)

Gallery of student testimonial videos. URL: <https://internshipwala.com/Videogallery>.
Embedded video players (YouTube or self-hosted).

7.8 Module 23: Online Project

Platform for students to take on live online project work to build portfolios.

Chapter 8

Complete Database Schema Overview

Table Name	Purpose
users	Student account information, profile details
internship_programs	All available internship and training programmes
enrollments	Student-to-programme enrolment records
modules	Course modules/lectures per programme
module_progress	Per-student module completion tracking
payments	Fee payments, transaction IDs, refund status
certificates	Issued certificates with unique IDs
board_members	Advisory board and mentor profiles
carousel_slides	Homepage hero banner content
internship_categories	Department categories and programme cards
testimonials	Student feedback/testimonial records
events	Platform events (webinars, offline batches)
student_chapters	College chapter registrations
institution_collaborations	MOU/institutional partnership applications
blog_posts	Blog articles
video_gallery	Student testimonial video entries
online_projects	Online project listings
admin_users	Backend administrator accounts
cms_pages	Static/CMS pages (About Us, Terms, Privacy)
notifications	System notifications for students

Chapter 9

API / Endpoint Architecture

Endpoint	Method	Description
/register	POST	Create new student account
/login	POST	Authenticate user, create session
/logout	GET	Destroy session, redirect
/Intern_User_Section/student-profile	GET/POST	View/update student profile
/Intern_User_Section/dashboard.php	GET	Student dashboard landing

Chapter 10

Security & Compliance

10.1 Authentication Security

- PHP session-based authentication (session tokens)
- Password storage should use `password_hash()` with `bcrypt`
- All dashboard routes protected by session guard (redirect to login if no active session)
- Change Password functionality available in dashboard header

10.2 Data Privacy

- Privacy Policy page linked in footer and About sidebar
- Student personal data (email, mobile, DOB, address) stored in `users` table
- Data jurisdiction: Patna, India (as per Terms & Conditions)

10.3 Legal Registrations

- **CIN:** U85500WB2024PTC268720 (Ministry of Corporate Affairs, incorporated 27 Feb 2024)
- **PAN:** AALCC6777G
- **TAN:** CALC14402D
- **MSME:** Registered under Ministry of MSME, Govt. of India
- **AICTE:** Listed on National Internship Portal
- **ISO:** ISO Certified Company
- Registered address: Smart Home Residency-I E2, 2nd Floor B No 1, Rajarhat, North 24 Parganas – 700135, West Bengal

10.4 File Handling

- Profile photos: server-side upload with MIME validation
- Certificates: generated as PDFs, stored on server
- Government PDFs: served from / root directory with URL-encoded filenames
- Success story PDF: 4-page document hosted at `/InternshipWALA%20Success%20Story.pdf`

Chapter 11

Third-Party Integrations

Integration	Details
